

LA County Now Permitting All Restaurants to Reopen at Limited Capacity

For Businesses:

- All restaurants may reopen for dining
 - Mandatory LA County protocols must be followed and posted at the business to reopen
 - The number of customers dining in a restaurant must be low enough to ensure social distancing and abide by occupancy requirements outlined in the LA County Health Order
-

For Customers:

- Please abide by the LA County face covering requirements when entering a restaurant or waiting in line
- Maintain six feet of social distancing from individuals not in your party when waiting to enter a restaurant or while inside dining
- Monitor the amount of time inside a restaurant to alleviate occupancy level capacity concerns and make a reservation in advance when possible
