2) PRESENTATION OF THE CHARITABLE SOLICITATIONS COMMISSION'S 2017 ANNUAL REPORT

Chair Kraushaar and Vice-Chair Safier presented the 2017 Annual Report to Councilmembers Friedman and Wunderlich; the Councilmembers were pleased with the results shown in the report.

The Councilmembers wanted reassurance that the requirements placed upon the organizations were not too burdensome. Additionally, Councilmember Wunderlich thought that the low percentage reflected in the list of "Bottom 10 Fundraising Organizations" could be due to reasons other than any fault incurred by the organization.

After discussion, it was agreed that the Annual Report should be placed as a C-item at the next City Council Study Session.
