

August 2018,

Greetings,

During this hot weather, it is imperative that you stay cool and hydrated. I have attached a flyer with valuable information on heat related emergencies and prevention tips.

The City of Beverly Hills and the Beverly Hills Police Department once again put on a great show at National Night Out (NNO) on August 7th. NNO is a free family event that celebrates safe communities.

CERT had a booth onsite and delivered information about the program to interested citizens.

A special thanks to CERT Volunteers April Wright, Ariane Von Kamp and Lynette Dodds for staffing the booth and assisting the visitors!

Reminder: Our next refresher class will be on September 6th at the FD Training Room from 6-9pm. The topic will be Active Shooter /Terrorism. Please register at the following link:

<http://www.beverlyhills.org/citygovernment/departments/firedepartment/cert/certsignup/>

I have also attached a small quiz for you all to keep CERT information fresh in your heads!

See you in September!

Chris Heyer

Deputy Fire Marshal
