STAR EDUCATION CLASSES

CITY OF BEVERLY HILLS CLASSES

**ART: CLAY STUDIO**  
Ready to roll up your sleeves and get to work on your magnum opus? We have brand new, exciting lessons for one of our most popular classes in this session of Art: Clay Studio. Students will learn essential hand-building techniques like pinching, coiling, and rolling using their hands, fingers and tools. We will transform a simple ball of clay into animals, decorative objects, and realistic food. Students will sculpt both free standing sculptures and ones we mount onto panels. Creativity is endless when you're working with clay!

**CULINARY ARTS: FARM TO TABLE**  
Think globally, but eat locally! In recent years, California cuisine has grown in prominence, due in no small part to our embrace of locally grown produce. During this session of Culinary Arts, we embrace Farm to Table as we use fresh seasonal produce to make the most amazing Kosher-style recipes. We will guide students through this gastronomical adventure by exploring a variety of fruits and veggies while using different cooking methods to put together the most delicious and flavorful recipes that they then can taste in class . At the end of the session, Jr. chefs will get their own Farm to Table cookbooks that include all the recipes, ingredients and techniques they mastered in class so they can make, take and bake their own meals at home!

**ECO STATION: ANIMALS SURVIVING & THRIVING**  
What does it take to survive and thrive in earth's most extreme environments? In this eye-opening class, we'll find out how our planet's toughest animals defy the longest droughts, navigate caves without eyes, and power through bitter winters that last more than half a year. Each week we'll feature a special Eco Station friend as we focus on parts of the planet that only the most resilient animals can survive in, and learn the adaptations and techniques that make that survival possible. Come learn how our animal friends can survive & thrive!
