DRIVE- THRU FLU SHOTS

Face masks will be required to participate, and those not feeling well should stay home. Short-sleeved shirts are highly recommended. Participants must stay in their car with the windows rolled up, until instructed.

No walk-ups, as this is strictly a Drive-Thru Flu Shot Clinic.

FIGHT THE FLU!

Cedars-Sinai is offering a seasonal Drive-Thru Flu Shot Clinic for the entire family.

The influenza vaccine is recommended for anyone 6 months of age and older. If you or your child are hypersensitive to or have an allergy to eggs, have a serious illness, or have an aversion to needles - please consult with your doctor, or consider getting vaccinated at your primary medical care office.
