ORDINANCE NO. 17-O-2731

AN ORDINANCE OF THE CITY OF BEVERLY HILLS  
AMENDING THE BEVERLY HILLS MUNICIPAL CODE  
REGARDING TEMPORARY BUSINESS SIGNAGE  
DURING SUBWAY CONSTRUCTION

THE CITY COUNCIL OF THE CITY OF BEVERLY HILLS DOES HEREBY  
ORDAIN AS FOLLOWS:

Section 1. The City Council hereby adds Section 10-4-615 to Article 6 (“Nonresidential Zones”) of Chapter 4 (“Zoning; Signs”) of Title 10 (“Planning and Zoning”) of the Beverly Hills Municipal Code to read as follows:

“10-4-615: TEMPORARY SIGNAGE DURING SUBWAY CONSTRUCTION:

Notwithstanding any other restriction contained in this chapter, an additional sign or signs may be placed or affixed on commercially zoned property fronting Wilshire Boulevard while the Los Angeles County Metropolitan Transportation Authority constructs the Westside Purple Line Extension subway project in the city, provided that construction obstructs the visibility of a substantial portion of the property or building entrance and the requesting business is otherwise permitted to display business identification signage pursuant to sections 10-4-604 or 10-4-608 of this chapter. Such signage shall be subject to approval by the director of community development or his or her designee provided that the signage satisfies the requirements of this section and comports with design guidelines approved by the City Council. Any sign placed or affixed pursuant to this section shall immediately be removed at such time when construction no longer obstructs the visibility of the property or building entrance.”

Section 2. Termination Date. This ordinance shall be automatically repealed and have no further force or effect on and after January 1, 2025, or on such date when the city engineer determines in writing that physical construction of the Westside Purple Line Extension subway project within the city is complete, whichever date is earlier.

Section 3. CEQA. This ordinance was assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. This ordinance temporarily allows some additional business signage to mitigate impacts on businesses affected by subway construction. This temporary business signage will not result in a substantial or potentially substantial adverse change in the environment. It can therefore be seen with certainty that there is no possibility that the proposed ordinance may have a significant effect on the environment. Therefore the City Council finds that the ordinance is exempt from CEQA pursuant to Section 15061(b)(3) of Title 14 of the California Code of Regulations because it can be seen with

certainty that there is no possibility that the activity in question would have a significant effect on the environment.

Section 4. Severability. If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance or the application thereof to any person or place, is for any reason held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, the remainder of this Ordinance shall remain in full force and effect.

Section 5. Publication. The City Clerk shall cause this Ordinance to be published at least once in a newspaper of general circulation published and circulated in the city within fifteen (15) days after its passage in accordance with Section 36933 of the Government Code, shall certify to the adoption of this Ordinance and shall cause this Ordinance and the city Clerk's certification, together with proof of publication, to be entered in the Book of Ordinances of the Council of this city.

Section 6. Effective Date. This Ordinance shall go into effect and be in full force and effect at 12:01 a.m. on the thirty-first (31st) day after its passage.
